Report of Principal and School Improvement Council

The 2013-2014 school year was very productive for McCormick Elementary students, teachers, and parents. Throughout the year, formative assessments were given to students to help identify instructional weaknesses. These formative assessments were in the form of Measures of Academic Progress (MAP) testing, as well as district benchmark assessments in all subject areas, including writing.

Throughout the school year, teachers worked on developing curriculum unit maps. These maps will define instruction for MES, and will be continuously revised as needed based on state standards. This year, we implemented Common Core State Standards in grades 3-5, with grades K-2 being in their second year of implementation.

MES has many programs which allow parents and community members to become involved. These programs include, but are not limited to, School Improvement Council, Book Buddies, Open House, PTO, Grandparents Breakfast, Veterans Day Programs, mentoring programs, and report card conferences. We had 100% participation with all of our parents appearing for report card conferences!

We are proud to offer numerous academic and behavioral incentives for our students. Students earn awards for academic achievements, including Honor Roll certificates, "Caught Being Good" bags, Accelerated Reader awards, Gifted and Talented programs, and intervention programs for those students who need extra support. Academic field trips were utilized by every grade level, as well as opportunities to compete against other schools through science fairs and writing contests.

MES is working to increase collaboration between students, staff and community to provide a safe, nurturing and respectful environment was done throughout the year. MES participated in numerous safety drills, including drills requiring outside assistance from community agencies. Students were involved in numerous service learning projects, including the American Cancer Society.

Communication with parents and community members is important to our success. To increase communication, MES utilized multiple forms of media, including the school messenger system, newspaper articles and pictures, monthly newsletters and calendars, and our Report to the People.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	71
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.
